FINDING OF SITE USE APPROPRIATENESS

Town of Andover Planning Board

At a regular meeting held on _____, at which a quorum of members was present, the Andover Planning Board found by majority vote that the specific site (s) Map _____ Lot _____ Sublot _____

Subject to one or more applications by: Applicant Name: _____

For one or more special exceptions under the Andover Zoning Ordinance is/are appropriate location (s) for the proposed use (s) as requested in one or more applications for special exceptions to the Andover Zoning Board of Adjustment (s) to wit: Proposed Uses:

and that the site (s) has/have an adequate water supply and sewage system, (if required for the proposed use (s) and meet (s) all applicable Local and State requirements.

This finding **does not** constitute a site plan approval, grant of a special exception, variance or any other approval of any kind. It is not a permit to construct, or an undertaking by the Town of Andover Planning Board that site plan approval will be granted, which approval can only be provided after submission of an appropriate and complete site plan and review by the Planning Board. It does not constitute a guarantee that the Zoning Board of Adjustment will act favorably on the applicant's request (s) for one or more special exceptions as described above.
